Review Minutes August 2013

Council reviewed the August minutes.

2014 Annual Meeting Session Planning

Council members discussed proposed sessions and sessions already in planning stages. All session proposals from ETCD (breakfast roundtables, courses and midday meetings) are due by email September 19th. All other sessions (panels, symposia and papers) are due through the abstract submission system by September 19th.

Graduate Research Panel

Dr. Frierson acknowledged that the graduate research panel was under control and would be submitted.

Funding Opportunities for Junior Investigators

Dr. Zarrett provided a quick update, the session will be submitted as one panel, and needs no further action steps at the moment.

Teaching Behavioral Medicine

With the help of Dr. Pbert, Jamie Bodenlos will finish up the teaching behavioral medicine submission. This will now be submitted as a pre-conference course.

Elevator Speech Workshop with follow-up Coffee Break

Drs. Zarrett and Reese will coordinate the final submission of this session. It will be submitted as a Breakfast Roundtable, and will encourage attendees to be interactive and promote networking skills in addition to the finished outcome of a polished elevator speech.

Doodle Poll for Recurring Calls – late 2013 and early 2014

Council discussed the change in Fall/Winter schedules, and especially the beginning of the academic year demands most members face. After the October call, a new doodle poll will be sent out to ensure we have the best recurring time selected for most Council Members.

Ongoing Updates

Council members please email staff with any links or resources that would be relevant to the areas of career/transition, mentoring, or past or future ETCD programming and its materials.
