1. Discussion of seminar/course review

The committee discussed how to evaluate the seminar and course proposals moving forward, determining that the Program Committee will continue to review and make the final decision on proposals but will reach out to topic area chairs for proposals that fall outside of their areas of expertise.

2. Post-meeting evaluation

The committee reviewed the 2015 and 2016 post-meeting evaluations and opted to continue with the abbreviated version that was offered following the 2016 Annual Meeting. The committee will also include evaluation questions on the mobile app for plenary sessions.

3. Discussion of program chair transition, committee formation

Drs. Wolin and Marquez offered guidance pertaining to how to determine the committee call schedule and populate the Committee bearing in mind continuing education requires specific member types be represented on the committee. Staff to assist as needed with providing Dr. Shelton with any information needed.

4. Other business

Dr. Marquez informed the committee that there are currently 341 registered for the meeting as compared to 249 at this point in 2016.
