Welcome to Dr. Coups, SBM Member Delegate

Dr. Coups joined the call to discuss his role as SBM Member Delegate. He serves as one of three delegates, the other two are Monica Baskin, PhD, and Amy Yaroch, PhD. In that position Dr. Coups serves as a member of the Board of Directors and the Executive Committee attending all of their meetings throughout the year. The member delegate is a free-floating role which allows for involvement in a variety of initiatives.

One large project Dr. Coups worked on this past summer was the SBM NIH R13 grant application for the 2016 Annual Meeting. Following the 2016 Annual Meeting they will begin work on the next application with the letter of intent due in July and full application due in August. Dr. Coups will be putting out a call to SIGs to send him their plans for the 2017 meeting, but if there are activities you are thinking about doing please let Dr. Coups or Dr. Graves know. It is never too early to get that information as they need to include potential plans in both the letter of intent and application.

Action items:

- Please send Dr. Coups (coupsej@cinj.rutgers.edu) or Dr. Graves (Kristi.Graves@georgetown.edu) any plans your SIG has for the 2017 Annual Meeting. It really helps the R13 writing team to have examples of what SIGs are planning (or are thinking of planning) for annual meetings.
- Dr. Coups is happy to support initiatives that SBM members

Review of engagement strategy document

Dr. Graves briefly reviewed document on call.

SIG Presentations

The Diabetes and Complimentary and Integrative Medicine SIGs presented on what they are currently working on.

SBM Leadership Institute

SIG chair were encourage to share the formal announcement on their listservs. Dr. Graves presented the idea of SIGs sponsoring institute participants and opened the floor up to discussion. Following the discussion Dr. Graves invited chairs to contact her or Ms. Linc if they had further thoughts on the matter.
