

SOCIETY OF BEHAVIORAL MEDICINE

2021 Student Volunteer Information

The Society of Behavioral Medicine (SBM) is seeking SBM student members interested in volunteering at Society of Behavioral Medicine's 2021 Annual Meeting & Scientific Sessions, which will be held virtually April 12 - April 16, 2021.

Volunteer positions are given out based on merit, so students who apply with top scored abstracts will be selected. **The accepted abstract must have the student as a presenter and not just a co-author. Positions are limited, so please note that completing and submitting your application does not confirm or imply acceptance.**

All volunteers are asked to meet the requirements listed below in return for a reimbursement of their registration fee. Common responsibilities include monitoring sessions and live tweeting sessions from SBM's social media accounts.

Application Requirements

- Be a 2021 SBM student member.
Join or renew your 2021 membership while [registering for the annual meeting](#) or by visiting our [membership page](#).
- Have submitted and are presenting an accepted abstract at the 2021 Virtual Annual Meeting.
- Fill out and return the Student Volunteer Application below by February 25, 2021.

Volunteer Notes

- If selected as a volunteer, you must pay the \$100 student registration fee by March 21, 2021.
The \$100 base registration fee will be refunded within 4 weeks following the meeting, pending the confirmation of successful completion of all volunteering duties.
- Volunteers must complete 3-6 hours of volunteering at the meeting. Upon acceptance, the national office will confirm your volunteering time slot. If your preferred time slot is unavailable, you will be given the chance to request an open time slot, or to be moved to the back-up list.
SBM will try to accommodate preferences, but cannot guarantee availability.
- Volunteers will have to attend a mandatory training on how the virtual platform works.
- Volunteers must sign in with Angela Burant before their start time, and sign out upon completion. Volunteers who do not sign out or who depart their assigned station early will not receive reimbursement.
- Additional details will be provided upon acceptance.

SOCIETY OF BEHAVIORAL MEDICINE

2021 Student Volunteer Application

1. General Information

Double click in fields below to input your information

Name: _____

E-mail: _____

Phone: _____

2. Volunteer Choices

SBM plans to use a limited number of its volunteers to help with social media and the other option below. Please select the areas below that you are interested in helping with. There will be a training to learn how the platform works.

YES, I am interested in helping SBM with its social media work.

*My Twitter handle is: _____

YES, I am interested in monitoring a session for technical issues, chat box, and adding comments/questions (such as session starts in 5 minutes) during sessions to get discussion going.

3. Volunteer Time
