Updates on proposed 2016 Annual Meeting sessions

Council members proposed the following sessions:

- Graduate Student Research Panel Discussion (submitted by Dr. Stetson).
- Careers in Behavioral Medicine: Navigating the Challenges and Opportunities of Academic Career Transitions and Advancements (submitted by Dr. Oliver).
- The 2nd Annual Meet the Professors session: SBM Fellow Office Hours for Networking (submitted by Dr. Huebschmann).

Consultation program

Erica developed a survey using Google Forms that will be sent out to SBM members listed as consultants. Dr. Zarrett requested that council members review it and offer feedback.

Action items:

- Erica will send out link to survey to council members so that they might provide feedback.

Discussion of syllabi program

Erica explained the changes to the syllabi program proposed by EDI's Director of Web Services, Shawn Dimmer. The council came to consensus through discussion and would like to submit a list of potential problems and features they would like included on the revised system. They would decide how to proceed based on Shawn's feedback.

Action items:

- Council will develop a list of potential issues they foresee with the revised system along with some desired features they would like include and submit that to Shawn for feedback.
