Mailing List Order Form

Select all options that apply for ordering a list of mailing addresses for current and/or past Society of Behavioral Medicine (SBM) members. SBM does not provide current or past members’ email addresses. Mailing lists are provided as an Excel spreadsheet.

SBM mailing lists are for one-time use. Repeat mailings require additional list purchases. Names and addresses are the property of SBM and cannot be duplicated or entered into a database. SBM reserves the right to approve the content to be mailed using an SBM mailing list, and the content to be mailed must be provided with this order form.

SBM mailing lists cost $0.20 per address. Please indicate which addresses you would like:

- All current 2019 members (approximately 2,000 addresses depending on the time of year)
- Also include past members – indicate year(s):
  - 2018 (approximately 800 additional addresses)
  - 2017 (approximately 800 additional addresses)
- Exclude international members (approximately 100 addresses)

Customized mailing lists can be created for an additional $25 charge. Example customized lists include student members or members of one of SBM’s special interest groups (www.sbm.org/about/special-interest-groups).
Email your request to info@sbm.org for options and cost estimates.

Company/institution name: Contact name:

Street address:

City, state, zip code:

Phone: Fax:

Email address:

Description of material to be mailed:

Estimated number of addresses: ______________________

Your signature is confirmation that you agree with the mailing list terms of use and estimated cost noted above, and will pay it upon invoicing. Your signature further confirms that if you breach this agreement, you will be liable for and shall pay any legal fees or other costs that SBM incurs in enforcing this agreement. Your signature also confirms acknowledgement that SBM cannot guarantee address accuracy.
