

Personal Statement: Megan McVay, PhD

A healthy budget is what makes everything we do at SBM possible. One reason that I am a proud member of SBM is because it is an organization that uses its budget to do important and meaningful work that benefits its membership and society at large. This is made possible due to a long-standing commitment to fiscal responsibility. As Secretary/Treasurer, I will work with the SBM Finance Committee, the Board of Directors, and the membership to continue to make sure our budget reflects our values as a Society. I will also diligently perform the important role of monitoring the budget and the Society's investments to safeguard our financial health.
